R-Ampicart Mobile Battery Power Systems 2.1Kw & 5Kw

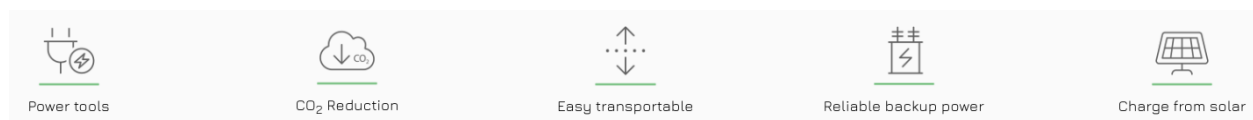

July 26, 2023

Product Overview

Portable power is essential for off-grid and mobile projects. Diesel generators are polluting and the prices of diesel are at an all-time high, leaving off-grid sites and mobile projects in need of a renewable mobile power system.

R-AmpicART & R-AmpicBOX are the perfect solutions to power your tools or equipment on site.

PORTABLE CLEAN ENERGY

The system is designed to easily be moved around and provides enough power to complete your project and power your tools. It consists of safe Nano Crystal Batteries and can be charged from either the grid or renewable energy sources. Easily expand your usage by adding more systems.

APPLICATIONS

Construction sites

ENERGY FOR OFF-GRID SITES AND APPLICATIONS

Intelligent controls; temperature, efficiencies, lifetime, automated balancing, safety, and power delivery management. Ampow's Portable Power Systems are designed to power your tools and equipment.

Studio sets

Farms

Off-grid sites

Camping

TECHNICAL SPECIFICATIONS

Capacity Up to 5kwh	Battery protection Integrated	System cooling Integrated
Size BOX (W x H x D) 296 x 440 x 387 mm (11.6 x 17.3 x 15.2 in)	Size CART (W x H x D) 286 x 691 x 559 mm (11.3 x 27.2 x 22 in)	EMS Optional, Ampow Cosmos
Charging Solar, grid, generator	Machine noise 53db	Warranty 2 years
Battery type Nano Crystal Battery	Transport restrictions None	Certifications Safety standards
